

## **Mastering Photo Transfers: A Guided Workshop for Unique Artwork**

### **Description:**

Discover the art of photo transfer. Lori will guide each participant through the steps on how to create your very own photo-transfers resulting in a compelling artwork. Perfect for beginners and those looking to elevate their skills. Throughout the workshop, participants will receive:

- Step-by-step instructions tailored to each stage of the photo transfer process
- Personalized feedback and guidance to enhance your skills and artwork
- Exploration of additional photo transfer techniques to expand your creative exploration

Comprehensive, detailed instructions will be handed out at the end of the day to be kept for future reference, ensuring continued growth and exploration beyond the workshop.

Whether you're looking to refine your technique or take your artwork to new heights, join us for an unforgettable day of creativity and discovery.

**Materials:** All necessary materials for the workshop will be provided, including transfer mediums, surfaces, brushes, and images. Participants are encouraged to bring their own high-resolution digital or printed photographs for personalization.????  
More details will be sent after registration.

Handouts for after the workshop.
